

Jennifer joined the firm in 2018 and is part of the Banking and Finance, Corporate and M&A practice area.

She has extensive experience in the banking area and worked for ten years for one of the largest banks in the region in corporate and business matters, acquiring knowledge in banking products, consumer protection law, banking and commercial law, syndicated loans and credits, international contracts, corporate governance and bank guarantees, among others.

She has participated in important transactions related to project financing and has advised international banks on their local operations, acquisitions, and taxes.
