

Rolando has been part of the litigation practice area in Mayora & Mayora in El Salvador. In order to strengthen his knowledge in legal procedure, he has done various continuing education courses and specializations in the procedure including in commercial, administrative, tax and labor legal procedure, among others.

In 2010, he became licensed to practice as an Attorney and Notary by the Universidad Centroamericana José Simeón Cañas. His professional experience includes having worked for various judicial bodies in civil and commercial matters, as well as other law firms before joining the firm.
