

Concepción has been with the firm since 2005 and has been a lawyer since 2008. She specializes in civil and commercial contracts, as well as corporate and partnership law. She has assisted several clients in important mergers and acquisitions, as well as in public bidding processes within the electric power industry.

In addition to being a lawyer and notary public, she is a sworn translator of English and Spanish. She obtained with distinction a Master's Degree in International Trade from the University of Essex in England in 2010.
