Sofia E. Pineda works in the tax, administrative, and competition law department at the Tegucigalpa, Honduras office, providing legal support in these areas to various commercial companies and nationally and internationally renowned Non-Governmental Development Organizations (NGDOs).

Since entering the legal field, she has gained extensive experience in processes such as tax exemptions, waivers, preparation and submission of public and/or private bids, and other registrations related to her area of expertise.

Sofia stands out for her efficiency, proactivity, and strong conflict resolution skills, combined with her ethical, moral, and spiritual values, which enable her to offer the best service to her clients.

## Representative Cases

Sofia has participated in legal assistance processes, from the preparation to the submission of files for major bidding projects within Honduran territory, successfully securing the majority of these awards for her clients.

She demonstrates strong determination in preparing legal remedies and evidentiary materials to substantiate key facts in cases brought against public institutions of the State, aiming to recover funds that have been arbitrarily separated from her clients' assets.
