Regina has been part of the team since 2025, working in the Corporate area. She began her professional experience in the legal field, performing legal analysis and drafting tasks. Currently, she is a Junior Lawyer focused on corporate law, responsible for drafting and reviewing corporate documents, ensuring compliance with legal formalities, and managing internal processes related to companies.

During her academic training, she participated in the United Nations Model of Guatemala and electoral observation projects, and she specialized through diploma courses in sworn translation and corporate document drafting.
