Lawyer and Notary, she holds a Master's degree in Business Law and has completed various postgraduate studies. With extensive experience in the banking, financial, and securities sectors, she has participated in financial structuring, including syndicated loans, international issuances, securitizations, and project finance, as well as advising international banks on local operations.

She also has broad experience in the corporate, commercial, and M&A areas, advising companies on acquisitions, new investments, corporate governance, and antitrust matters.

Representative Cases

She has participated in project finance transactions for the development of solar power generation plants in the country. She has also been involved in asset securitization processes.

She advises international banks authorized to operate as credit placement offices, and supports regulated institutions in regulatory processes.
